Hamad Medical Corporation  
HAMAD INTERNATIONAL TRAINING CENTER

Major Incident Medical Management & Support

## MIMMS Course

**MIMMS** is 3 days course, which provides all the information, needed when responding to a major incident or disaster.

It deals with organization of services management and support and it incorporates all aspects of assessment, Triage and commanding at scene. Tabletop exercises and live outdoor practical simulated scenes complement the theoretical part.

This course is for doctors, nurses, primary health and private health centers, police, army, civil defense and anyone else, who is interested, can also attend the course.

*Coming course date*  
**8-10 February 2007**

**28  
CME  
POINTS**
